- 12 Red cherry blossom
- 18 Brown as a berry
- 22 Down to earth

## CHOOSE TO CREATE

Natural elements inspire a relaxed and positive atmosphere. Bring the outdoors in, with the Botanic Collection’s bold floral patterns and rich autumn colours. Reminiscent of long walks in the woods, the designs add a warm and cozy feel to any setting.

## BOTANIC COLOURS

|                                                                                                          |                                                                                                          |                                                                                                          |                                                                                                          |                                                                                                          |                                                                                                          |
